PRIMARY AND HIGH SCHOOL PROGRAMME

(HOST FAMILY ACCOMMODATION) - 10 TO 18 YEARS OLD

Welcome to the LLC Primary and High School Programme!

At Lakeland Language Centre, we're dedicated to providing students with an unforgettable experience, both inside and outside the classroom. Our wonderful host families ensure that from day one, students feel right at home, offering them a warm welcome and a true taste of local life and culture.

We support our students every step of the way, helping them settle in and feel confident as they progress through their studies. Over the years, we've built strong connections with schools across the Midlands and Ireland, allowing our students to spend their academic year fully immersed in the local education system.

At Lakeland, we're more than just a language centre—we're a community focused on helping students thrive academically, personally, and socially, ensuring they make the most of every moment during their time with us. We look forward to collaborating with you to create meaningful and enriching experiences for all our students.

Warm regards,
The Lakeland Language Centre Team
