PRIMARY & HIGH SCHOOL BOARDING OPTION

10 TO 18 YEARS OLD

Welcome to the Lakeland Boarding School Academic Year Programme!

At Lakeland Language Centre, we offer students the opportunity to live and study in some of Ireland's most prestigious boarding schools. This programme is designed for those who seek a complete academic and personal growth experience, with the added benefit of a safe and structured on-campus environment.

Living on campus allows students to fully immerse themselves in the school community, fostering independence, responsibility, and lifelong friendships. Our partner boarding schools combine excellent academic standards with a wide range of extracurricular activities, ensuring students make the most of every aspect of school life.

From the moment they arrive, our dedicated team provides guidance and support, helping each student adapt smoothly to their new environment. We work closely with school staff to monitor academic progress and well-being throughout the year, keeping parents informed with constant reporting.

Warm regards,
The Lakeland Language Centre Team
